

## Associated Students of San Diego State University

Coronavirus/COVID-19

### Notice of Expectations and Acknowledgement

Coronavirus Disease 2019 (COVID-19) has been declared a worldwide pandemic by the World Health Organization. COVID-19 seems to spread easily and is believed to spread in similar ways to influenza which may include, but is not limited to: spreading through the air by coughing and sneezing; close personal contact, such as touching or shaking hands; and touching an object or surface with the virus on it, then touching your mouth, nose, or eyes. Spread is more likely when people are in close contact with one another (within about 6 feet). As a result, federal, state and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Associated Students expects you to do everything you can to reduce the spread of COVID-19 within Aztec Recreation and the general campus community.

By carefully reviewing the content of this COVID-19 Notice and Acknowledgement, I confirm, understand, and acknowledge the following:

\_\_\_\_\_ I understand that Associated Students/San Diego State University ("A.S./SDSU") has taken and will continue to take various measures to protect against exposure to COVID-19; however, those measures will not eliminate all risk of exposure to COVID-19 and there will remain a risk of exposure.

\_\_\_\_\_ I understand that participating in A.S. Sport Clubs at SDSU may increase my risk of contracting COVID-19.

\_\_\_\_\_ I acknowledge the contagious nature of COVID-19 and understand that I may be exposed to or infected by COVID-19 by participating in sport clubs at SDSU; and that such exposure or infection may result in personal injury, illness, permanent disability, and death.

\_\_\_\_\_ I understand that the risk of becoming exposed to or infected by COVID-19 at SDSU may result from the actions, omissions, or negligence of myself and others, including, but not limited to A.S./SDSU employees, volunteers, vendors, and members and/or participants and their families.

\_\_\_\_\_ I understand that if I develop COVID-19 symptoms or test positive for COVID-19, other players, coaches, staff, and opposing team personnel will need to be notified of my status. Therefore, my name and health information may need to be disclosed to the County Health Department due to public health concerns. Symptoms include, but are not limited to, a loss of taste or smell, fever, severe headaches, severe fatigue or body/muscle aches, unusual gastrointestinal distress, or signs of respiratory illness such as a dry cough, shortness of breath or difficulty breathing.

\_\_\_\_\_ I will be honest when asked questions, including but not limited to contact tracing.

\_\_\_\_\_ I will follow all guidelines for the general student population.

\_\_\_\_\_ I will follow all COVID-19 health and safety instructions given to me by Athletic Trainers, physicians, coaches and Associated Students and Aztec Recreation staff members.

\_\_\_\_\_ When in quarantine or isolation I will follow all guidelines to prevent the spread of COVID-19.

My signature below signifies I confirm, understand, and acknowledge my personal responsibility to follow the expectations outlined above. In following these expectations, my actions will positively impact the reduction of the spread of COVID-19 within Aztec Recreation and SDSU facilities and the general campus community.

Failure to follow these expectations may result in disciplinary action which may include (but is not limited to), individual loss of participation privileges, temporary shutdown of team activities (generally for a period of no less than two weeks), or full shutdown of team activities for the remainder of the semester. In addition, failure to follow all conduct expectations and COVID-19 policies may result in reporting to SDSU Student Rights and Responsibilities.
