INTRAMURAL DODGEBALL RULES

Refer to the Intramural Sports Handbook for further information outlining the SDSU Intramural Sports Program.

RULE I  PRE-SEASON PROCEDURE

Sec – 1  REGISTRATION
All registration and roster additions will be done online at www.dosportseasy.com/sdsu. Captains will create an account, choose a league that best fits their team’s playing ability, and enter their teammates information.

Sec – 2  FORFEIT FEE CONTRACT
Once the information has been entered, the captain still needs to submit a mandatory Forfeit Fee Contract to the ARC to secure their spot in the league. This contract will contain a personal check or the credit card information of the captain. The only time a captain will be charged the $40 is if their team forfeits a game.

Sec – 3  MANDATORY CAPTAIN’S MEETING
The captain will be contacted by the IM Sports office with the time and date of the mandatory Captain’s meeting. Each team must have their captain or a representative at this meeting to learn the rules and policies of the program. They will also receive their league schedule at this meeting.

RULE II  PLAYING PROCEDURES

SEC. 1  Number of Players
A team consists of five players. A team may have additional players that may enter in succeeding games. Three players are required by game time to prevent a forfeit.

SEC. 2  ARC Membership
Prior to all games, players must sign an assumption of risk form. This form is located on the reverse side of the score sheet. The Team Captain is responsible for monitoring the completion of his/her team’s form. No player may participate in any Intramural contest without prior purchase of an Aztec Recreation Center membership or Day Use Pass.

ALL PARTICIPANTS MUST PRESENT A PICTURE I.D. BEFORE PARTICIPATING. NO EXCEPTIONS. NO I.D., NO PLAY!

SEC. 3  Team Roster
Rosters are limited to 25 individuals. Teams may add players up to the point that (1) the roster limit has been reached or (2) until the roster addition deadline has passed. A player must have played in at least one regular-season game to be eligible for the post-season playoff tournament. Roster additions can be
conducted by the team captain on the registration site. Additions must be done by noon of game day or noon of Friday for a weekend game for those changes to be reflected on the game roster.

All players not listed on the roster are ineligible to participate. Players may only participate on one team within the same league (Open A and Open B are classified as the same league (Open)). The team captain/manager is responsible for monitoring the liability waiver/team roster.

SEC. 4

ARC Rules
No food or drink is allowed in either gym at any time except water in a plastic bottle.

SEC. 5

Equipment
All players must wear court shoes during the course of play. No hard protective casts and/or jewelry (rings, watches, chain necklaces, friendship bracelets, caps, etc.) shall be worn. Game Officials will provide game balls.

SEC. 6

Completing the Scoresheet
Each eligible player must sign the reverse side of the scoresheet and print their name on the front line-up portion of the scoresheet.

SEC. 7

Persons Subject to the Rules
Team representatives, including players, substitutes, replaced players, coaches; trainers, spectators and other persons affiliated with the team are subject to the rules of the game and shall be governed by decisions of Officials assigned to the game.

SEC. 8

Game Time
Game time is forfeit time. Teams must be present and signed in by their scheduled game time. Failure to do so will result in a forfeit.

A match consists of five (5) games (not the best three of five). Each game will last a maximum of 5 minutes.

Time will end all games in the regular season. The team with the most players at the end of the game is considered the winner. If both teams have the same number of players when time expires, it is considered a tie.

For play-offs and championship play, a match will consist of five (5) games (the best three of five). In the event of a tie as time expires, all tied games will go to the sudden death with the first player out ending the game.

SEC. 9

Time Outs
No timeouts are allowed except for injury at the discretion of the official.
RULE III THE GAME

SEC. 1 Objective
The objective of dodgeball is to eliminate all players of the opposing team by throwing one of six game balls and hitting the opposing player below the shoulders on the fly.

SEC. 2 Starting a Game
Six balls will be used. Officials will place six balls in a line at half-court. Players must start behind their own baseline before the start of play. When the whistle is blown, player may retrieve the balls, but may not throw the ball until the player clears the ball behind the opposing team’s offsides line. If the player does not clear the ball behind the opposing team’s offsides line, the throw will not count.

SEC. 3 Eliminating the Opposing Players
A player will be called when a thrown ball, not a kicked ball, hits them on the fly. The ball must hit a player below the shoulders to be considered an out. If a player is hit in the head, no player will be considered out. If a player ducks or is on the ground and is hit in the head, the player hit will be called out. Once a player is out, they must immediately leave the floor and sit in the chairs behind their own baseline. Players who have been called out can not retrieve stray balls for their teammates, or that ball will be given to the other team.

SEC. 4 Caught balls
The Thrower will be called out when a ball their throw is caught on the fly. In addition, an eliminated teammate of whoever caught the ball may re-enter play. The re-entering player must be whoever was out for the longest period of time.

SEC. 5 Deflections
Art. 1
Deflections off the floor, wall, court dividers, rafters, bleachers, hoop, and official do not count as an out if caught.

Art. 2
If a ball is deflected off a player and hits a teammate on the fly, both players are out.

Art. 3
If a ball is deflected off of a player, and caught by a teammate, the thrower is out.

SEC. 6 Ball Deflections
Art. 1
If a ball hits another ball, which a player has in their possession, it does not make either player out. However, if the ball is dropped as a result of contact from the thrown ball, then the player who drops the ball is out.

Art. 2
If a ball hits another ball, which a player has in their possession, and that ball is caught by a teammate, the person who threw the ball is out.

Art. 3
If a ball hits another ball, which a player has in their possession and that ball hits a teammate, the person who was hit is out.
SEC. 7  Out of Bounds
All players are confined to the out of bounds cones. Players may intentionally leave the playing area on their own side of the playing floor to retrieve a ball. If a player goes out of bounds to avoid getting out, the official will call them out. If a ball is thrown into the bleachers, it must be given to the team that is on that side.

SEC. 8  Stalling
If a player is stalling, or making no attempt to play a ball, they will be ordered to throw the ball to the other side by the official. A player may be called out at the official’s or supervisor’s discretion for continuously stalling to avoid an outcome of the game. Balls may not be rolled back to the other team in order to stall. Ball must be thrown over to the offside line.

SEC. 9  Off-Sides
A floating off-sides line for each team will be used. This line will be marked with cones at the end of each line. When throwing the ball, a player must not have either foot on the line when throwing. A player who is off-sides will be declared out. A player hit by a ball from a player who is off-sides will not be called out.

SEC. 10  Stopping Play
Once the whistle is blown all action will stop and play will be reset. Teams will keep the same number of balls they had prior to the whistle being blown.

RULE IV  CONDUCT OF PLAYERS AND OTHERS

SEC. 1  Technical Foul
All decisions by officials are final; ARGUING DECISIONS WILL NOT BE TOLERATED. Players arguing after given a warning will be given a “technical” and will have to sit out for the remainder of that game and all of the next game (if a player receives a “technical” in their last of the match or last game of the day they have to sit out the very next match they play). If a player receives second “technical” that player will be ejected from the game.

SEC. 2  Sportsmanship Rating
